

2015 ISF WORLD CHAMPIONSHIP

MEN'S NATIONAL TEAM SELECTION PROCESS

SECTION 1 – PURPOSE

The Senior Men's National Team Program for 2015 will compete in the 2015 Pan American Games and in the ISF World Championships. The purpose of this document is to set out the process used by Softball Canada to select athletes to the 2015 ISF World Championship team.

This selection process has two objectives:

- Select eligible athletes to an Athlete Pool. Athletes in the Pool are those identified by Softball Canada as having demonstrated potential to earn a position on a current or future national team. At any given time, the Athlete Pool represents a 'snapshot' of Canadian talent in men's softball.
- From the Pool, select the best possible Team for the ISF World Championship. While some objective criteria will be used to select Teams, it is also recognized that there is a significant subjective element. Subjective elements include such factors as previous and current performance, experience, positional requirements, leadership and team cohesion.

SECTION 2 – ELIGIBILITY

To be eligible to be selected to the Athlete pool, an athlete must be in good standing with Softball Canada, a Canadian Citizen holding a Canadian passport or a person eligible for Canadian Citizenship who is actively pursuing Citizenship.

To be eligible to be selected to a Team, the athlete must meet any age requirements and citizenship requirements stipulated by the organizers of the event at which the Team will be competing.

SECTION 3 – AUTHORITY FOR SELECTION

The Board of Directors has delegated authority for all decision making under this policy to the Head Coach.

The Head Coach has final authority for all selection decisions, including selecting athletes to the Pool, adding additional athletes to the Pool, selecting Teams from the Pool, removing athletes from the Pool or from a Team, and selecting replacement athletes to a Team where applicable. In making selection decisions, the Head Coach will consult with the Manager - National Teams (NT), and with coaching staff, defined for the purposes of this document to include assistant coaches, scouts and evaluators as designated by Softball Canada.

SECTION 4 – ATHLETE SELECTION PROCESS

Pool Selection

The Head Coach, in consultation with the coaching staff and Manager – National Teams, will select a pool of up to 40 athletes. The initial pool of athletes will be published on or before December 10, 2014. Additional athletes may be added, at the Head Coaches discretion at any time after that date. The selection of the pool will be based on:

- Previous and current performance
- Experience
- Positional requirements
- Present and projected development and/or improvement
- Leadership/Contribution to team chemistry
- Availability for competition and training

Team Selection

Athletes from the Pool will be selected to the Team, with the goal being to put together the best possible team for any particular event. Factors that will be considered in this selection include physical and technical aspects of the game, as well as team dynamics. These factors, which will be assigned weight by the Head Coach, as he deems appropriate for the decision making process, include:

- Previous and current performance
- Experience
- Positional requirements (primary and backup)
- Present and projected development and/or improvement
- Leadership/Contribution to team chemistry
- Availability for competition and training

It is understood that in making selections to create the best possible Team, it is possible that the best individual athletes may not be selected. The Head Coach also has the discretion to name an athlete to a Team even though that athlete may not have been formally named to the pool.

The timelines that will be followed in selecting the Pool and selecting athletes for World Championship Team are as follows. Note that specific events, dates and times may be subject to change.

- The Head Coach will identify the initial Pool by December 10, 2014.
- The Head Coach may add to the pool at any time at their discretion.
- The Head Coach will name an initial group of up to 20 players that will be selected to attend a selection camp in May 2015 – dates and location TBD.
- The Head Coach will select up to 12 core players that will be selected to attend the 2015 ISF World Championships by December 15, 2014 with the remaining players for the roster being added by June 15, 2015.
- Alternates may be added to the Team to replace an athlete removed from the team pursuant to section 5. The addition of alternates to the team is at the sole discretion of the Head Coach and will be in keeping with the philosophy of fielding the best possible team.

UNFORESEEN CIRCUMSTANCES/CHANGES TO THE DOCUMENT

If unforeseen circumstances arise which do not allow for this selection process or the above timelines to be implemented as outlined in this document, Softball Canada reserves the right to identify an alternate process or alternate timelines. Should this occur, all athletes in the Athlete Pool will be notified of these changes in a timely manner.
